Our **Yak** meat comes from **Ohrüti, an organic farm in Tössbergland**. The Yaks spend the summer in the fields of Tösstal and by the Lukmanier Pass. They eat only grass and fine alpine herbs. The meat is tender, lean, rich in iron and zinc and is more flavorful than beef.

The **Grand Cru Prosciutto** comes from the **traditional fine Swiss breed "Grand-Cru"** and is air-dried in Ticino for 18 months.

Our **cheese specialties** come from the **cheese dairy Camenzind in Schalchen**, in the beautiful Zurich uplands as well as from the **cheese dairy Jumi Bern**.
