**Our Yak** meat comes from **Ohrüti, an organic farm in Tössbergland**. The Yaks spend the summer in the fields of Tössstal and by the Lukmanier Pass. They eat only grass and fine alpine herbs. The meat is tender, lean, rich in iron and zinc and is more flavorful than beef.

Our **cheese specialities** come from the **cheese dairy Camenzind in Schalchen**, in the beautiful Zurich uplands as well as from the **cheese dairy Jumi Bern**.
